LAST BUILDABLE CUSTOM HOMESITE IN THE
HIGHLANDS OF LOS GATOS

This 1.05 acre view homesite is the final opportunity for new construction in the Highlands of Los Gatos, an exclusive community of 17 custom estate homes designed to reflect the unique architectural styles from around the world.

This level, certified building pad with public utilities in an established, highly desirable neighborhood is the perfect setting to design and build your own custom masterpiece.

Surrounded by tree-studded hillsides, this premium homesite offers privacy and seclusion along with spectacular Santa Clara Valley views and the convenience of being just minutes from Highway 17 and downtown Los Gatos.
